Group Insurance Employee Benefits Handbook

Introduction

Group Life and Group Medical Insurance are essential part of fringe benefits in addition to the workman compensation and social security benefits. We believe that your organization recognizes the importance of human resources as a crucial key factor to support the stability and progression of your organization.

As per the above objective, AIA has provided your company with group insurance employee benefits handbook for your employees to study our benefits, coverage, exclusions, operations and claims process and group privileged card utilization.

However, all information in this handbook is only the benefit summary and designed as a guide to give general information. No information given herein replaces or overrides the terms and conditions specified in an insurance policy. For more details of the coverage, please refer to the policy issued under the name of your company as the policyholder.

We hope that this Group handbook will be beneficial for all employees.

10. Frequently Asked Questions about Group Insurance (FAQ)

1. How does the Medical Group Insurance work?

Ans The Insured Member is protected 24 hours all over the world with no limit of place and time both in and out of occupation.

2. Is the In-Patient Department benefits (IPD) coverage per each disability?

Ans Yes, each disability means all illness, injury or other complications caused by such illness or injury which hospitalization is required. This includes the concurrent disabilities from different causes during the same hospital confinement or confinements, except the disability from the same cause or causes after 45 days from the latest discharge date shall be considered as a new disability.

3. Which hospital can I obtain the treatment?

Ans Insured Member can obtain treatment at any certified hospital.

- For network hospitals, Insured Member will only clear due hospital bills of expenses exceeding the coverage (if any) if Insured Member shows the Group Privileged Card and Photo ID Card at the network hospital.
- For non-network hospital or in case Insured Member do not show the Group Privileged Card and Photo ID Card to the network hospital, Insured Member will need to clear all due hospital bills after the treatment, collect all necessary documents for reimbursement, then submit for the claim reimbursement to AIA

4. What should the Insured Member do for the admission at the network hospital with Social Security benefits?

Ans Insured Member should show the Social Security Card with Group Privileged Card together at the admission step to utilize all benefits. The Social Security pays all expenses except limited Room & Board; therefore, the Insured Member can select an upper-class room.

5. What is the Surgical Expense?

Ans The sum actual charged for surgical operation performed by one or more registered medical practitioners and assistant surgeons.

6. Is the Health Checkup covered by the policy?

Ans No, it is not covered per the policy exclusions.

7. Are the expenses of telephone bill, fax, newspaper, television and VDO covered by the policy?

Ans No, they are not covered.

8. How to claim for reimbursement for the continuous rabies vaccination? Does it require the receipt and medical certificate every time?

Ans Insured Member shall reimburse under Emergency Out-Patient Treatment (Accident) or under Clinical Benefits (OPD) and shall present both original receipt and medical certificate with every claim submission.

9. Does the policy cover the treatment for car accidental injury?
Ans Yes, the IPD benefits also covers the Emergency Out-Patient Treatment (Accident). However, Insured Member must obtain the treatment within the first 24 hours after the time of accident, and the follow-up treatment within 31 days from the date of accident.
10. Can the Insured Member claim for IPD reimbursement for the admission in hospital longer than 6 hours but without the In-Patient registration?
Ans No, the Insured Member must register as an Inpatient to claim for IPD reimbursement.
11. Is Acupuncture treatment covered?
Ans No, the alternative treatment such as acupuncture, natural medicine or chiropractic are not covered per the policy exclusions.
12. Is the surgical operation with no admission, such as Endoscopy, covered?
Ans In case there is medical necessity for minor surgical operation (e.g. endoscopy, pterygium removal) which can be done with no admission needed, AIA will cover such surgical expense and other expenses under Hospital & Surgical Benefits.
13. If the Insured Member is admitted due to sickness or accident, will AIA cover the cost for the physical therapy needed thereafter?
Ans Yes, Insured Member will be covered under the benefits and conditions of the policy. However, such physical therapy treated under Clinical Benefits (OPD) or at physical therapy clinics should be in line with the doctor's prescription in terms of number and period of treatment specified in the medical certificate.
14. How long does it take to process a claim after the submission?
Ans AIA will settle your claim within 15 days after receiving all required documentation and clarification.
15. How long does it take to renew Group Privileged Card?
Ans It will take approximate 10 days once AIA received all required documents.
16. How can I check the list of hospitals and clinics in AIA network?
Ans Insured Member can check with the hospitals or clinics directly, or at www.aia.co.th
17. How does the coverage work in case Insured Member has dental injury due to accident and denture is required?
Ans AIA will cover the expenses of fundamental necessary treatment for accidental injury (e.g. tooth extractions and dental x-ray), but not cover those of dentures, orthodontics, crown and dental treatment.
18. Where can I get the reimbursement form?
Ans The Group Claim Form is available at your HR Department and downloadable at www.aia.co.th
